

# How it works

Discover a new way to use your Club Points with an exclusive travel programme designed to provide eligible Club Points Owners with the flexibility and convenience of choice.

Expand your world beyond the Club with Travily's global collection of hotels and resorts – enabling you to access a multitude of countries, destinations and hotel chains with ease.

Using Travily is easy. Simply log in through the **Anantara Vacation Club website**, choose **Points Conversion Partners** from the Browse Destinations tab, and select the number of points you wish to convert. Once the conversion is approved, you can choose from the available destinations, and be on your way.

For more information, please refer to the Frequently Asked Questions below, or contact **Club Services**.

## How do I enroll in the Travily Programme?

Elite Diamond, Elite Platinum, and Elite Royal Club Points Owners are eligible and automatically enrolled in the Travily programme. For Elite Jade and Elite Ruby Club Points Owners who wish to participate in the programme, please contact **the Owner Enhancement team** to upgrade your Ownership Tier.

## How do I convert my Anantara Vacation Club Points to Travily Points?

There are 2 options to convert Anantara Vacation Club Points to Travily Points\*:

### 1. Standard Conversions

**1 Anantara Vacation Club Point = 20 Travily Points**

Points will be available in mid-January of the following year. Club Points Owners are required to borrow the following year's Club Points to convert them at this rate.

### 2. Speed Conversions

**1 Anantara Vacation Club Point = 17 Travily Points**

Points typically require a processing time of 1-3 business days to be credited to your account. Only the current year's Club Points can be converted at this rate.

**Each conversion will be charged at USD 99\*\***

## What is the minimum number of Club Points required to convert to Travily Points?

Travily has no limitations when it comes to points conversions. You can convert as many or as few points as you like, providing you with the ultimate travel booking flexibility.

## How can I make a booking using Travily Points?

Once your Travily Points have successfully been credited to your account, you can visit **Travily's website** to start your journey.

Due to security reasons, Anantara Vacation Club Services is unable to reserve rooms on your behalf within the Travily network. We therefore advise you to plan in advance to ensure you can book your desired hotel and room. If you are having difficulties navigating the site, please contact **Travily** for further assistance.

## How long will my Travily Points be valid?

**Travily points do not expire throughout the lifetime of the programme**

Leaving you with the freedom to enjoy travel when you want and where you want.

## Can my Travily Points be converted back to Anantara Vacation Club Points?

No, Travily Points cannot be converted back to Anantara Vacation Club Points. However, please keep in mind that there is no minimum amount of Club Points required for conversions to Travily, providing you with flexibility and keeping you in control of your points.

## What if I am not eligible for the Travily Programme?

If you would like to join Travily, but are currently ineligible, please contact the Owner Enhancement department at **enhancements@anantaraclub.com** for more information and assistance.
